## FIXES THE LIMITS

**AUTOMOBILE GARAGE ORDINANCE PASSED BY COUNCIL.**

## PENALTY \$10 TO \$50

**Council Friday Night Also Adopted Grade of Elm Street—Mose Hahn Appointed Alderman.**

The ordinance regulating the location and conduct of automobile garages was adopted by the city council at their meeting held Friday night. The ordinance does not affect any garage now in operation here, but will affect any garage that locates within a certain territory of the business section of the city. The ordinance was adopted to protect certain business houses and buildings from having a garage located next door to them.

The territory where no garage can be located is as follows: Third street from Buchanan to Market streets; Main street from First to the alley running east and west between Fourth and Fifth streets; Fourth street from the alley running north and south between Main and Buchanan streets to Market street. And no garage can be located within the fire limits of the city unless they are protected with fire walls, the openings of iron, steel or other fireproof doors, shutters or other appliances sufficient to prevent escape of fire.

The vote on the ordinance was 5 for and 1 against. The members voting for it were C. D. Hooker, John Gray, Louis Gram, Charles McNeal and Mose Hahn. William Moyer voted against the ordinance.

The ordinance also provides a penalty which is a fine of not less than \$10 nor more than \$50 for violating the provisions of the ordinance. The ordinance was signed by Mayor Robey.

The resignation of Henry Foster as member of the city council from the First ward was accepted. Mr. Foster has moved from that ward to the Fourth ward. Mayor Robey appointed Mose Hahn, and the appointment was confirmed by the board. Mr. Hahn will serve until the first meeting night in May.

Mayor Robey was instructed to enter into a contract to tear down the second story of the city hall. The contract was given to Dennis Reynolds, who is to do the work for the brick in that story of the building.

Another ordinance adopted at the council meeting was to establish the grade of Elm street.

The next regular meeting of the council will be held the first Friday in April. The aldermen who are elected at the city election to be held on April 1 will take their positions at the regular meeting of the council in May.

## ROAD MILL TAX TO PEOPLE.

**The Bill Provides \$1,750,000 Annual Fund for Highways.**

The program of good roads legislation was made complete Thursday when the house at Jefferson City, after a hard fight, concurred in the senate constitutional amendment submitting a mill tax for the state good roads fund to a vote of the people. It is now up to Missouri to say at the next general election, in November, 1914, whether it wants to spend \$1,750,000 on its roads every year. It is estimated the mill tax if adopted will obtain that sum.

Garland Peery, who has been attending the Normal training school returned to his home at Brinsom, Mo., Saturday.

## WAS AN EXCITING MEETING.

**Farmers Telephone Meeting Held Saturday Did Not Do Anything—Much Discussion.**

An exciting meeting of the Farmers telephone line of Maryville was held at the court house Saturday afternoon from 1 to 2 o'clock. The purpose of the meeting was to straighten up the business of the company and make arrangements for paying off its obligations.

No business whatever was transacted, as there seems to be two warring factions in the company. Last year this telephone company had a deficit of over \$500, and a motion was made at the meeting that the new board of directors should assume this obligation. The president of the board, Wm. Mozingo, who presided, refused to put the motion before the house, as he said it was out of order.

After repeated calls for the motion it was put before the house by one of the members of the company, and it carried. The discussion over the proposition was very heated at times, and a few suggested that the board of directors assume the obligations or resign from the board. The contention of the other faction was that each line should pay its share of the deficit.

When a motion for adjournment was made the chairman refused to put it, and John R. Evans then put the motion and it carried.

There are two factions in the telephone company, one contending for incorporation of the company and the other opposed to the proposition. Probably not much will be accomplished by the company unless some settlement is made between the two factions. It is also said that a few of the members on the board that were for incorporation intend to resign. Incorporation was defeated a few weeks ago by a few votes.

## MOON IN ECLIPSE THIS MORNING.

**An Occurrence of the Night After the Crucifixion Repeated.**

Did you get up at 4:13 o'clock this morning, put on a dressing gown and slippers and sneak out on the back porch to look at the moon? You did not? Then you missed it.

At 4:13 o'clock the moon decided to have an eclipse. At 6:11 o'clock the eclipse was total. It remained total until 6:44 o'clock, according to the astronomers. You can't prove it by any citizen, because it was daylight by that time and the moon and its eclipse were blotted from sight.

The eclipse marked the official end of winter. It took place as the sun crossed the line between the southern and northern hemispheres. Thanks to the eclipse, this is a spring day.

This morning's eclipse was visible, at least in part, everywhere in the United States. It is further of interest because the full moon it darkened fixes Easter this year at almost the earliest possible date. Nearly a century ago, in 1818, Easter was March 22, the earliest possible date. Not until 1940 will it again approach that date. That year Easter will fall on March 24.

Astronomers say there was an eclipse the night after Christ's crucifixion. According to the church calendar the eclipse this morning falls on the anniversary.

## HALF A MILLION IN NOTES

**Stolen From John S. Bilby's Safe, Near Coweta, Okla.**

A dispatch from Muskogee, Okla., says that John S. Bilby, who is well known in this county and formerly a resident of Quitman, had half a million dollars in notes stolen from him. The dispatch is as follows:

A warrant was sworn out at Coweta, Wagoner county, today by John S. Bilby, charging J. A. Wishord of Fort Worth, Texas, with stealing negotiable notes and securities worth half a million dollars from Bilby's safe at his home, near Coweta. The warrant was sent to Fort Worth to be served.

Bilby claimed he had notes, one for \$50,000 and one for \$100,000, against Wishord, taken to secure payment for real estate, and the notes were past due. Wishord went to Bilby's home to discuss the matter. Later the two notes and additional securities disappeared from the safe in which Bilby kept his papers. Bilby is one of the wealthiest men in Oklahoma, and also has large land holdings in Texas, Nebraska and Kansas.

## Left For King City.

Mr. and Mrs. Harry Epperson who has been visiting in Maryville for a week with Mr. Epperson's mother, Mrs. Stella Epperson, left Saturday for King City to visit Mrs. Epperson's parents, Mr. and Mrs. Wm. Sherman, until they are located on a farm near King City.

## FOR NEW CIRCUIT IS EASTER SUNDAY

**SENATOR CRAIG'S BILL SIGNED BY GOVERNOR MAJOR.**

## CUTS OUT HOLT COUNTY AND BEAUTIFUL MUSIC

**And Changes Terms of Court in Nodaway County to January, April and September.**

Time for holding circuit court in Nodaway county has been changed, and was in the bill that passed both houses and was signed by Governor Major taking Holt county from the fourth judicial circuit and adding it to the fifth judicial circuit.

The time for holding the court terms follows: Third Monday in January, the first Monday in April and the fourth Monday in September. The terms of court at present are the third Mondays in February and June and the second Monday in November. The changes in the court terms will meet with favor by members of the bar, because as it is now there are only about two terms of court held here, as no jury cases are tried at the June term owing to the busy season for farmers.

The bill will become a law ninety days after the adjournment of the legislature. It will not become a law soon enough to take effect before the June term of court, so that term will be held, and then there will be a term of court in September, as the bill will be a law at that time.

Following is a copy of the bill:

Senate bill No. 341, forty-seventh general assembly, introduced by Senator Craig. An act to repeal sections 3983, 3984, 4019, and 4020, of article 3, chapter 35, Revised Statutes of Missouri, 1909, relating to judicial circuits and time for holding courts therein, and to enact four new sections in lieu thereof to be known respectively as sections 3983, 3984, 4019 and 4020, removing Holt county from the fourth judicial circuit and adding it to the fifth judicial circuit, and changing the time for holding court in each of said circuits.

Section 3984. Fourth circuit.—The fourth judicial circuit shall consist of the counties of Atchison, Gentry, Nodaway and Worth.

Sec. 3984. Fifth circuit.—The fifth judicial circuit shall consist of the counties of Andrew, DeKalb, Clinton, Platte and Holt.

Sec. 4019.—Time for holding courts.—fourth circuit.—In the county of Atchison, on the first Monday in March and the fourth Mondays in May and November; in the county of Gentry, on the first Monday in January, the third Monday in March, and the second Monday in September; in the county of Nodaway, on the third Monday in January, the first Monday in April and the fourth Monday in September; in the county of Worth, on the third Monday in February, the first Monday in May, and the second Monday in November.

Sec. 4020. Time for holding courts.—fifth circuit.—In the county of Clinton, on the first Mondays in January and April, and the fourth Monday in September; in the county of DeKalb, on the third Mondays in January and April, and the second Monday in October; in the county of Andrew, on the first Mondays in February and May, and the second Monday in November; in the county of Holt, on the fourth Mondays in February and October, and the third Monday in May; in the county of Platte, on the second Monday in March, the first Monday in September, and the fourth Monday in November.

## Left on Visiting Trip.

Miss Gertrude Wright and Miss Golda Roelofson went to St. Joseph Thursday evening and were guests until Friday of Miss Roelofson's sister, Mrs. Paul Sawyers, and Miss Sawyers. Miss Wright left Friday for Douglas, Kan., on an extended visit to her sister, Mrs. Lloyd Conklin, and family. Miss Roelofson will remain in St. Joseph the guest of Mr. and Mrs. Sawyers until after Easter.

## PASSED CRAIG BILL.

**For Special Road District—Defeated Craig's School Bill.**

The house at Jefferson City passed the Craig bill giving to special road districts one-half of the amount collected by the county for dramshop, billiard and pool licenses where such business is conducted within the limits of the district.

A school bill killed by an adverse vote in the house was the Craig measure providing that county courts should appropriate money for the actual expenses of county superintendents of schools not to exceed 20 per cent of his salary for any one year.

## THE DEMOCRATS HELD CONVENTION

### The Democratic Ticket.

Trustee—Cooper Gooden. Collector—Felix Grundy. Assessor—Ed F. Hamlin. Constable—Claude Campbell. Township board—James Patterson and Tom Kane.

Justices of the peace—W. L. Johnson, J. W. Morris, H. E. Wright, Amos Sprecher and Jake Melvin.

The Democratic township convention was held Saturday afternoon at the court house, and standing room was at a premium. One of the largest crowds ever present in the court room was in attendance. John M. Dawson presided over the convention and Wm. G. Sawyers was secretary. An order of business was reported by Charles McCaffrey, which was adopted. The following were appointed as tellers by Chairman Dawson: J. H. Thorp, J. F. Cook, W. R. Hughes, M. E. Ford and Wm. Taylor. The township election is to be held next Tuesday.

The first nomination was that of township trustee, and Cooper Gooden, after being nominated, was selected by acclamation for the party's candidate for that office.

For township collector, W. R. Hughes presented the name of Frank Bohn, George Pat Wright the name of Felix Grundy, and Brice Hall the name of Marion Smith. On the first ballot the vote stood Bohn 150, Grundy 142, Smith 82. As no nomination was made, a second ballot was taken.

The second ballot in the race for collector resulted as follows: Grundy 153, Bohn 148, Smith 40. Under a resolution adopted by the convention, Marion Smith dropped out of the race after this ballot. The total vote cast on this ballot was 374, as compared to only 150 votes cast at the Republican convention held a week ago in this city.

On the third ballot the vote stood as follows: Grundy 183, Bohn 164. Grundy was declared the nominee of the convention.

### Hughes Township Convention.

At the Democratic township convention of Hughes township, held at Graham on Saturday afternoon, the following ticket was nominated:

Trustee—John A. Gex. Collector—Dan McGrew. Assessor—Lawrence Hill. Members of board—John Lawrence and Dwight Davis.

Justices of the peace—August Kneuffer and J. H. Robertson. Constable—Sam Eckles.

Mrs. T. J. Tobin and daughter of Burlington Junction came to Maryville Saturday to spend Easter with her mother, Mrs. John Vaughn. They will remain over until Monday to meet Mrs. Tobin's son, Robert, who will accompany the Conception College band to Maryville on its annual visit as a member of the band.

Mrs. Elmer Russell and children, living south of Maryville, went to Hopkins, Saturday to visit Mrs. Russell's brother, W. R. Byington, and family.

Mrs. Charles Fennell of Burlington Junction visited in Maryville Saturday with her parents, Mr. and Mrs. T. J. Hall, living west of Maryville.

Miss George Evans left Saturday for her new home with her parents, Mr. and Mrs. George L. Evans, on their farm near Salisbury.

## DON'T BURN THEM

**CORN STALKS SHOULD BE DICKED AND PLOWED UNDER.**

## RENDERS SOIL POROUS

**Jordan Says Unless Soil is Too Rich or Infested With Chinch Bugs Stalks Should Not Be Burned.**

By S. M. Jordan, Manager Pettis county bureau of agriculture.

While there is a great deal of seed corn in the country it is wise to take a good deal of time and exercise extreme care and "shop" early and get the best. Most of the seed corn is in good condition and most of it will grow, but all corn that was not pretty well dried out when the first heavy frost occurred last fall has been injured to such an extent that its vitality is poor. A preliminary test should be made that would give some adequate idea as to how its vitality is running. A grain with a weak germ is by no means likely to make a good ear of corn.

Another question to be considered at this time is the disposition of the corn stalks in field where we are going to put corn this coming year. Corn stalks should be broken down at least by this time, and then when the ground conditions are right we should take a sharp disk and by going over each row we cut the stalks pretty well; but the really great value we get out of that process is the working of the soil. I know of no conditions in Pettis county that would by any means justify burning the corn stalks. If the land is already too rich we might then be justified, or if the fields last year were badly infested with chinch bugs we might be justified in burning, but under conditions in Pettis county there is no justification for burning these stalks. There is no great amount of soil fertility in corn stalks, there is vegetable matter and most of our farms are suffering for want of vegetable matter rather than lack of soil fertility. It would decidedly pay to plow them under even though they did not contain one particle of soil fertility. This vegetable matter renders the soil porous and sponge-like, gives life to the soil and gives it capacity for holding moisture, and it is this condition that prevents washing and makes plant food available to the young plants. Usually all that we can say about burning corn stalks is that it is a very serious blunder.

All live stock should be kept out of the fields from now on except at times when the ground may be frozen. Cattle and horses tramping across the fields when the mud may be several inches deep do an enormous amount of mischief to the soil, except in such places where the soil may be very sandy.

As a general rule I like to do the dicking just as early as it is possible and if this is done and we shouldn't happen to get our plowing done until a little late the ground will then not break up cloddy. In soil that is not too heavy I like also to plow the ground just as early as possible as the earlier we can plow the more deeply we are safe to plow. The early plowing also allows the weeds to start and with one or two plowing before planting as many crops of weeds may be destroyed. I like to do a great deal of work on the ground before planting, and since the corn is a warm weather plant I like to wait until the ground has become fairly warm. This is usually the first few days in May, but it is not safe to plant seed ground so early as this, on account of the danger from cut worms. A very safe time for the seed would be from the 20th to the 25th of May.

is a very beautiful and appropriate composition for the guiding of our worship. The composer has poured the pathos and power of the resurrection story into this music. It presents a great variety of musical expression for a short work. There are ladies' trios, male quartets, solos and powerful choruses.

The pastor will sing "Christ is Risen Today," Bischoff.

The Epworth League meets at 6:30 p. m. A special program has been arranged, consisting of music by an orchestra, a ladies' quartet and a vocal duet. The pastor will give a short address upon the theme of "The Resurrection Story." Miss Ethel Embree, leader.

At the evening service, 7:30 p. m., the choir will sing the oratorio "The Holy City," by Gaul.

The resurrection of Christ is our greatest evidence for a future life. The promise and the comfort of such a revelation is set forth by this oratorio. While the treatment of the subject is reflective, there are passages of great power in the work. This is not the greatest oratorio, but it has the characteristics of the highest form of musical expression. It contains solos, quartets and choruses that are used by the greatest singers and choirs of the world. There will be about forty voices in the choir. Mr. P. O. Landon, organist, and Miss Lucile Alry at the piano.

REV. GILBERT S. COX, Pastor.

First Baptist Church.

There will be no preaching services at the First Baptist church Sunday morning or evening. An Easter musical program will be given by the choir at 11 o'clock a. m., under the direction of Miss Marie Gayle Jackson. Other services will be as usual at the usual hour.

Sunday school at 9:30.

B. Y. P. U. at 6:30 p. m.

Following is the program for Easter musical program at 11 a. m.:

Hymn 51, "Joy to the World, the Lord is Come."

Anthem, "Benite," Lansing.

Solo, "Earth You Could Not Hold Him," Paul Bliss—Miss Jackson.

Scripture reading.

Solo, "As It Began to Dawn," F. Harker—Mrs. Charles Moore.

Anthem, "Come See the Place Where the Lord Lay," W. Reade.

Offertory.

Solo, recitative and aria from "The Creation," Haydn—Mr. Orlo Quinn.

Anthem, "I Will Magnify Thee, O God," N. Churchill.

Hymn 307, "Christ Arose."

St. Mary's Catholic Church.

The usual Easter services will be held Sunday at the usual hours at this church. The Rev. Fr. Anselm and his assistant, the Rev. Fr. Willebrode, will conduct the services. At 10 o'clock service the choir will sing a mass by LaFache. Before mass Regina Coeli will be sung. The solo parts in the mass will be taken by Miss Bertha Kirch, soprano; Miss Teresa Yehle, alto; Conrad Yehle, tenor; N. B. Thompson, basso. For the offertory a pipe organ selection will be played by the organist, Miss Hilda Lahr. During the benediction the Salutaris and Tantum Ego will be sung.

No Sick Headache, Bilious Stomach,  
Coated Tongue or Constipated  
Bowels by Morning.

Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry out of the system all the constipated waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love to take Cascarets because they taste good—never gripe or sicken.—Advertisement.

PROGRAM FOR ARBOR DAY

April 4 Set Aside by Governor Major as Tree Planting Day for Schools.

Arbor day will be on Friday, April 4, according to a proclamation issued by Governor Major, and under the law all teachers, pupils and patrons of the different schools throughout the state shall on that day "encourage the planting of trees, shrubbery and flowers upon and around the school grounds," to the end that "said grounds may be rendered pleasant and attractive." A part of the day is to be devoted to literary exercise, such as will impress the children and citizens generally with the importance and value of making school grounds attractive, and encourage forestry.

The following is the program suggested by State Superintendent of Schools Evans for the various schools of the state for that day:

Part I—Indoors.

Song by school.

Reading governor's proclamation.

Reading the superintendent's message.

Recitation, "The Lesson of the Tree."

Essay, "Native Trees of Missouri."

APPLES IN COMMON STORAGE.

Springfield Man Finds That Method Superior in Every Way to Cold Storage for His Apples.

A. S. McLin of near Springfield, Mo., was in Maryville Saturday morning on his way home from Des Moines and Creston, Ia., where he disposed of two car loads of the Ozark Ingram apples he raises on his farm. The apples are just now ready for market and will keep good and juicy until June, when new apples are due.

He is proving the common storage method against cold storage. For several years he has stored his winter apples in the fall in a building that is all above ground. The walls are eight inches thick, sawdust filled and with air space. The building is kept closed during the day and open at night when the weather is not freezing. The doors are closed every morning before the sun rises. His Ozark Ingram apples have kept perfectly by this method of storage and he has never lost a cent from their being left on the market, because they are in perfect condition and cannot spoil before they are ready for use.

The cold storage apple has to be bought and used as soon as placed on the market, because being already slightly frozen will not last any length of time.

Mr. McLin believes the high cost of living could be materially reduced if the matter of storage would be sensibly regarded and studied, and he thinks the little street waifs of the cities should have a good solid, juicy apple when they want it just the same as anyone who is able to buy the beautiful polished apples from cold storage houses the moment they are placed in the windows. He says there is surer and better money all around to every apple grower through the common

storage route than any other way, and thinks it would solve the problem of waste during the apple season, when thousands of bushels go to waste every year in the orchards. The common storage method, he believes, would eventually prevent the market from being overstocked, and there would be as steady a supply of good apples the year round as in staple articles of food.

## FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die."

At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well.

I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women" sent in plain wrapper, no request.

Miss Leona Buitman of Barnard returned home Friday evening from a several days' visit with her aunt, Mrs. W. F. Moyer.

## SEED CORN

B. H. McClintock, living four miles north of Essex, Page county, Ia., has made a new variety of corn that is simply wonderful, being a cross between Boone County White and another earlier corn. He has bred this corn for five years and has bred out one-third of the starch, reduced the size of the cob, lengthened the grain, and, best of all, made it fifteen days earlier than Boone County White and increased the yield. A 10-acre block last year made 1,050 bushels, an 80-acre block 81 bushels and 40 pounds to the acre. This corn won first premium at the Iowa Corn Growers' association at Ames, Ia., January, 1913. Interested parties write for samples and prices. Sold subject to twenty days test. This new corn is named White Cross. He also has some Iowa Silver Mine and Reid's Yellow Dent. Every ear of White Cross is raised on his own farm and hung up and cared for in a manner to make a strong growing seed. Check will be returned if after test corn is found faulty in germination. Order at once as supply is very limited.

WARN CONSUMPTIVES AWAY.

Medical Board Admits Tuberculosis Culture Is "Live Bug" and That They Are Breeding It to Try on Consumptive Monkeys.

Washington, March 22.—The public health service, through Surgeon General Blue, issued its first statement relative to the government investigation of Dr. F. F. Friedmann's alleged tuberculosis cure. The statement, which emphasizes the government's policy to proceed cautiously, is as follows:

"On March 8 the secretary of the treasury, on the recommendation of the surgeon general of the public health service, caused a board of medical officers to be detailed to make a thorough investigation of Dr. Friedmann's alleged cure for tuberculosis."

"These officers proceeded immediately to New York and arranged with Dr. Friedmann for demonstrations of his remedy upon persons suffering from tuberculosis. These demonstrations are being carried on in certain New York hospitals and will be continued until sufficient information has been obtained for the forming of an opinion as to the merits of the treatment."

"Dr. Friedmann has submitted to the board a culture of the bacteria which he states are used in his method of treatment. In addition to the observation of persons under treatment by Dr. Friedmann, the board of officers will make experiments to ascertain whether this culture is, as Dr. Friedmann claims, harmless to warm blooded animals."

Will Take Time to Tell.

"Considerable time will necessarily be required to carry out these investigations, but the work will be carried out as rapidly as possible."

"In the meantime the public is informed of the inadvisability in the great majority of cases of traveling long distances in the hope of receiving treatment, as those selected for demonstration purposes constitute only a small proportion of the applicants."

"Certain statements purporting to be expressions of the opinion of the board of officers of the public health service bearing on the investigation have appeared in newspapers. These officers have expressed no opinion and will not be in a position to do so until the work has advanced sufficiently far to warrant some conclusion in regard to Dr. Friedmann's treatment."

It was further stated by the government's officials that it would be a month probably before any conclusions could be reached relating to the efficacy of the treatment upon the patients, who are being watched by the board of officers authorized to make the investigation.

## WAGE PARLEY NEAR RUPTURE

Only Government Arbitration Can Avert Switchmen's Strike.

Chicago, March 22.—Wage negotiations between 4,600 Chicago switchmen and nineteen railroads reached a final crisis. It was semi-officially announced no agreement is possible through existing arbitration committees representing the union and the employers. Only intervention by the United States labor commissioner or the Illinois commissioner will avert a strike, it was asserted.

Railway managers involved appeared to have reached this conclusion, and preparations were begun to obtain federal arbitration under the Erdman act.

Robinson Give Five Years.

Fort Dodge, Ia., March 22.—Thomas Robinson, found guilty of attempted manslaughter of Marshal McFarland of Gowrie and given a new trial because the jury foreman discharged the jury and carried the verdict in his pocket for several hours, pleaded guilty and was sentenced to five years at Anamosa by Judge Wright in the district court.

Will Attack Hermosillo.

Guaymas, Mex., March 22.—It was said officially that 4,000 federal troops will arrive here Monday to proceed against the insurgent state authorities at Hermosillo. The troops will come by steamer from Manzanillo, where they embarked from the neighborhood of Mexico City. Already about 1,000 federals are garrisoned here.

Gardner Will Not Accept Pension Job. Washington, March 22.—Senator Obadiah Gardner of Maine having refused the job of commissioner of pensions, it was learned that friends of Dr. D. C. Gentsch of New Philadelphia, O., have renewed their efforts on his behalf for the place. There are a number of other aspirants for the place.

## GOVERNOR MAJOR LAUDS SOLONS

Special Message Compliments Legislature on Its Work

BREATHE SPIRIT OF NEW DAY.

Jefferson City, March 22.—In a special message sent to the house and senate Governor Major complimented the legislature highly on its work.

"You have breathed the spirit of the new day," the governor said. "In the matter of progressive legislation you are abreast of the times and stand in the forefront of all legislatures in the United States that have been in session this winter."

The message was the first the governor has sent to the legislature in the entire session, except for the inaugural address and the routine messages submitting reports and returning bills.

The governor calls specific attention to the two platform pledges that were unkept—a workmen's compensation law and a presidential primary act. For them he bespeaks careful consideration and enactment into law by the next legislature. The message said in part:

"You now are nearing the closing hours of your labors and this legislature will go down in the history of Missouri as one of the best. I take this occasion to congratulate the members of both branches on their good work."

"There are a few subjects which the shortness of time has prevented you from fully considering, one among which is a workmen's compensation act, but I am glad to see you have prepared the way by creating commissions to continue the consideration of this and other questions, and report the result of their labors to the next legislature. The presidential preferential primary question can be timely considered at the next session."

"As the chief executive I desire to compliment you upon your work and to thank you for the consideration shown the executive department and the recommendations made by me in my inaugural address and to further thank you for the great services you have rendered the people."

tion Saturday to spend Easter with her  
parents.

### Robert G. Ingersoll's Vision.

A vision of the future rises:  
I see our country filled with happy  
homes, with firesides of content—the  
foremost land of all the earth.

I see a world where thrones have  
crumbled and where kings are dust.  
The aristocracy of idleness has per-  
ished from the earth.

I see a world without a slave. Man  
at last is free. Nature's forces have  
by science been enslaved. Lightning  
and light, wind and wave, frost and  
flame, and all the secret, subtle pow-  
ers of earth and air are the tireless  
toilers for the human race.

I see a world at peace, adorned with  
every form of art, with music's  
myriad voices thrilled, while lips are  
rich, with words of love and truth—a  
world in which no exile sighs, no pris-  
oner mourns; a world on which the  
bigot's shadow does not fall; a world  
where labor reaps its full reward;  
where work and worth go hand in  
hand; where the poor girl trying to win  
bread with the needle—the needle that  
has been called "the asp for the breast  
of the poor"—is not driven to the des-  
perate choice of crime or death, of  
suicide or shame. I see a world with-  
out the beggar's outstretched palm,  
the miser's heartless, stony stare; the  
piteous wall of want, the livid lips of  
lies, the cruel eyes of scorn.

I see a race without disease of flesh  
or brain—shapely and fair, the mar-  
ried harmony of form and function—  
and, as I look, life lengthens, joy  
deepens, love canopies the earth; and  
over all, in the great dome, shines the  
eternal star of human hope.

"Don't you think it strange, Mr.

### Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell  
and completely derange the whole system when  
entering it through the mucous surfaces. Such  
articles should never be used except on prescrip-  
tion from reputable physicians, as the damage  
they will do is ten fold to the good you can pos-  
sibly derive from them. Hall's Catarrh Cure,  
manufactured by F. J. Cheney & Co., Toledo, O.,  
contains no mercury, and is taken internally,  
acting directly upon the blood and mucous sur-  
faces of the system. In buying Hall's Catarrh  
Cure be sure you get the genuine. It is taken  
internally and made in Toledo, Ohio, by F. J.  
Cheney & Co. Testimonials free.

## THE EUCLID MALE QUARTET

THE EUCLID MALE QUARTET.

### EUCLID MALE QUARTET.

These College-Bred Young Men Will  
Appear in Lyceum Course.

Nearly every Lyceum course and  
Chautauqua offers a male quartet  
every season, for no popular musical  
attraction is quite so popular as a  
company of four young men who are  
good singers and entertainers. For  
this season the Euclid Male Quartet  
has been engaged. These four young  
men are college-bred, were known as  
the Antioch Glee club when they first  
began to sing together six years ago,  
and are graduates of Antioch college,  
founded and made famous by Horace  
Mann. They are good singers and  
their ensemble numbers are very well  
done, for they have sung together for  
six years. One member is a good  
reader, presenting some of Riley's  
best known poems. A feature is the  
playing by the quartet on the largest  
set of aluminum organ-chimes that is  
used in Lyceum work. They produce  
tones like a fine pipe organ, and with  
four good musicians playing, the most  
beautiful tones and effects are se-  
cured. The program of this company  
is varied and satisfying. Each mem-

ber is a soloist and the personnel is:  
Mr. O. W. Beaver, second tenor and

reader; Mr. W. C. Shade, basso; Mr.  
H. E. Haines, first tenor; Mr. C. J.  
Beaver, baritone and pianist.

### To the Voters of Polk Township

As a candidate for the office of  
Assessor for Polk township I most  
respectfully solicit your vote for  
me for that office on Tuesday, the  
25th day of March. I have been a  
resident of Nodaway county for the  
past seventeen years, part of this  
time living on a farm north of  
Maryville, and part of the time in  
the city. I am quite well acquaint-  
ed with the people living in this  
township, and also have a good  
knowledge of the values of property  
in this township. I will give this  
office, in case I am elected, my  
own personal attention, and will en-  
deavor to the very best of my abil-  
ity to treat everybody fairly and  
without partiality. Thanking you  
for your favorable consideration, I  
remain, Yours very truly,  
JACOB B. MOORE.

there will be submitted to the qual-  
ified voters, who are taxpayers of said  
school district voting at such election,  
a proposition to levy a tax of six mills  
on the dollar on the taxable property of  
said district in addition to the four  
mills authorized by law to be levied  
by the board of directors of said school  
district for the maintenance of the  
schools and for school purposes in  
said school district for the next en-  
suing school year. Also the election of  
two directors for the term of three  
years each.

Done by order of the board of di-  
rectors this March 14th, 1913.

## FIXES THE LIMITS

**AUTOMOBILE GARAGE ORDINANCE PASSED BY COUNCIL.**

## PENALTY \$10 TO \$50

**Council Friday Night Also Adopted Grade of Elm Street—Mose Hahn Appointed Alderman.**

The ordinance regulating the location and conduct of automobile garages was adopted by the city council at their meeting held Friday night. The ordinance does not affect any garage now in operation here, but will affect any garage that locates within a certain territory of the business section of the city. The ordinance was adopted to protect certain business houses and buildings from having a garage located next door to them.

The territory where no garage can be located is as follows: Third street from Buchanan to Market streets; Main street from First to the alley running east and west between Fourth and Fifth streets; Fourth street from the alley running north and south between Main and Buchanan streets to Market street. And no garage can be located within the fire limits of the city unless they are protected with fire walls, the openings of iron, steel or other fireproof doors, shutters or other appliances sufficient to prevent escape of fire.

The vote on the ordinance was 5 for and 1 against. The members voting for it were C. D. Hooker, John Gray, Louis Gram, Charles McNeal and Mose Hahn. William Moyer voted against the ordinance.

The ordinance also provides a penalty which is a fine of not less than \$10 nor more than \$50 for violating the provisions of the ordinance. The ordinance was signed by Mayor Robey.

The resignation of Henry Foster as member of the city council from the First ward was accepted. Mr. Foster has moved from that ward to the Fourth ward. Mayor Robey appointed Mose Hahn, and the appointment was confirmed by the board. Mr. Hahn will serve until the first meeting night in May.

Mayor Robey was instructed to enter into a contract to tear down the second story of the city hall. The contract was given to Dennis Reynolds, who is to do the work for the brick in that story of the building.

Another ordinance adopted at the council meeting was to establish the grade of Elm street.

The next regular meeting of the council will be held the first Friday in April. The aldermen who are elected at the city election to be held on April 1 will take their positions at the regular meeting of the council in May.

## ROAD MILL TAX TO PEOPLE.

**The Bill Provides \$1,750,000 Annual Fund for Highways.**

The program of good roads legislation was made complete Thursday when the house at Jefferson City, after a hard fight, concurred in the senate constitutional amendment submitting a mill tax for the state good roads fund to a vote of the people. It is now up to Missouri to say at the next general election, in November, 1914, whether it wants to spend \$1,750,000 on its roads every year. It is estimated the mill tax if adopted will obtain that sum.

Garland Peery, who has been attending the Normal training school returned to his home at Brinsom, Mo., Saturday.

## WAS AN EXCITING MEETING.

**Farmers Telephone Meeting Held Saturday Did Not Do Anything—Much Discussion.**

An exciting meeting of the Farmers telephone line of Maryville was held at the court house Saturday afternoon from 1 to 2 o'clock. The purpose of the meeting was to straighten up the business of the company and make arrangements for paying off its obligations.

No business whatever was transacted, as there seems to be two warring factions in the company. Last year this telephone company had a deficit of over \$500, and a motion was made at the meeting that the new board of directors should assume this obligation. The president of the board, Wm. Moringo, who presided, refused to put the motion before the house, as he said it was out of order.

After repeated calls for the motion it was put before the house by one of the members of the company, and it carried. The discussion over the proposition was very heated at times, and a few suggested that the board of directors assume the obligations or resign from the board. The contention of the other faction was that each line should pay its share of the deficit.

When a motion for adjournment was made the chairman refused to put it, and John R. Evans then put the motion and it carried.

There are two factions in the telephone company, one contending for incorporation of the company and the other opposed to the proposition. Probably not much will be accomplished by the company unless some settlement is made between the two factions. It is also said that a few of the members on the board that were for incorporation intend to resign. Incorporation was defeated a few weeks ago by a few votes.

## MOON IN ECLIPSE THIS MORNING.

**An Occurrence of the Night After the Crucifixion Repeated.**

Did you get up at 4:13 o'clock this morning, put on a dressing gown and slippers and sneak out on the back porch to look at the moon? You did not? Then you missed it.

At 4:13 o'clock the moon decided to have an eclipse. At 6:11 o'clock the eclipse was total. It remained total until 6:44 o'clock, according to the astronomers. You can't prove it by any citizen, because it was daylight by that time and the moon and its eclipse were blotted from sight.

The eclipse marked the official end of winter. It took place as the sun crossed the line between the southern and northern hemispheres. Thanks to the eclipse, this is a spring day.

This morning's eclipse was visible, at least in part, everywhere in the United States. It is further of interest because the full moon lit darkened fixes Easter this year at almost the earliest possible date. Nearly a century ago, in 1818, Easter was March 22, the earliest possible date. Not until 1940 will it again approach that date. That year Easter will fall on March 24.

Astronomers say there was an eclipse the night after Christ's crucifixion. According to the church calendar the eclipse this morning falls on the anniversary.

## HALF A MILLION IN NOTES

**Stolen From John S. Bilby's Safe, Near Coweta, Okla.**

A dispatch from Muskogee, Okla., says that John S. Bilby, who is well known in this county and formerly a resident of Quitman, had half a million dollars in notes stolen from him. The dispatch is as follows:

A warrant was sworn out at Coweta, Wagoner county, today by John S. Bilby, charging J. A. Wishord of Fort Worth, Texas, with stealing negotiable notes and securities worth half a million dollars from Bilby's safe at his home, near Coweta. The warrant was sent to Fort Worth to be served.

Bilby claimed he had notes, one for \$50,000 and one for \$100,000, against Wishord, taken to secure payment for real estate, and the notes were past due. Wishord went to Bilby's home to discuss the matter. Later the two notes and additional securities disappeared from the safe in which Bilby kept his papers. Bilby is one of the wealthiest men in Oklahoma, and also has large land holdings in Texas, Nebraska and Kansas.

## Left For King City.

Mr. and Mrs. Harry Epperson who has been visiting in Maryville for a week with Mr. Epperson's mother, Mrs. Stella Epperson, left Saturday for King City to visit Mrs. Epperson's parents, Mr. and Mrs. Wm. Sherman, until they are located on a farm near King City.

## FOR NEW CIRCUIT IS EASTER SUNDAY

**SENATOR CRAIG'S BILL SIGNED BY GOVERNOR MAJOR.**

## CUTS OUT HOLT COUNTY

**And Changes Terms of Court in Nodaway County to January, April and September.**

Time for holding circuit court in Nodaway county has been changed, and was in the bill that passed both houses and was signed by Governor Major taking Holt county from the fourth judicial circuit and adding it to the fifth judicial circuit.

The time for holding the court terms follows: Third Monday in January, the first Monday in April and the fourth Monday in September. The terms of court at present are the third Mondays in February and June and the second Monday in November. The changes in the court terms will meet with favor by members of the bar, because as it is now there are only about two terms of court held here, as no jury cases are tried at the June term owing to the busy season for farmers.

The bill will become a law ninety days after the adjournment of the legislature. It will not become a law soon enough to take effect before the June term of court, so that term will be held, and then there will be a term of court in September, as the bill will be a law at that time.

Following is a copy of the bill:

Senate bill No. 341, forty-seventh general assembly, introduced by Senator Craig. An act to repeal sections 3983, 3984, 4019, and 4020, of article 3, chapter 35, Revised Statutes of Missouri, 1909, relating to judicial circuits and time for holding courts therein, and to enact four new sections in lieu thereof to be known respectively as sections 3983, 3984, 4019 and 4020, removing Holt county from the fourth judicial circuit and adding it to the fifth judicial circuit, and changing the time for holding court in each of said circuits.

Section 3984. Fourth circuit.—The fourth judicial circuit shall consist of the counties of Atchison, Gentry, Nodaway and Worth.

Sec. 3984. Fifth circuit.—The fifth judicial circuit shall consist of the counties of Andrew, DeKalb, Clinton, Platte and Holt.

Sec. 4019.—Time for holding courts.—fourth circuit.—In the county of Atchison, on the first Monday in March and the fourth Mondays in May and November; in the county of Gentry, on the first Monday in January, the third Monday in March, and the second Monday in September; in the county of Nodaway, on the third Monday in January, the first Monday in April and the fourth Monday in September; in the county of Worth, on the third Monday in February, the first Monday in May, and the second Monday in November.

Sec. 4020. Time for holding courts.—fifth circuit.—In the county of Clinton, on the first Mondays in January and April, and the fourth Monday in September; in the county of DeKalb, on the third Mondays in January and April, and the second Monday in October; in the county of Andrew, on the first Mondays in February and May, and the second Monday in November; in the county of Holt, on the fourth Mondays in February and October, and the third Monday in May; in the county of Platte, on the second Monday in March, the first Monday in September, and the fourth Monday in November.

## Left on Visiting Trip.

Miss Gertrude Wright and Miss Golda Roelofson went to St. Joseph Thursday evening and were guests until Friday of Miss Roelofson's sister, Mrs. Paul Sawyers, and Miss Sawyers. Miss Wright left Friday for Douglas, Kan., on an extended visit to her sister, Mrs. Lloyd Conklin, and family. Miss Roelofson will remain in St. Joseph the guest of Mr. and Mrs. Sawyers until after Easter.

## Here for Easter Visit.

## PASSED CRAIG BILL.

**For Special Road District—Defeated Craig's School Bill.**

The house at Jefferson City passed the Craig bill giving to special road districts one-half of the amount collected by the county for dramshop, billiard and pool licenses where such business is conducted within the limits of the district.

A school bill killed by an adverse vote in the house was the Craig measure providing that county courts should appropriate money for the actual expenses of county superintendents of schools not to exceed 20 per cent of his salary for any one year.

Trustee—Cooper Gooden. Collector—Felix Grundy. Assessor—Ed F. Hamlin. Constable—Claude Campbell. Township board—James Patterson and Tom Kane.

Justices of the peace—W. L. Johnson, J. W. Morris, H. E. Wright, Amos Sprecher and Jake Melvin.

The Democratic township convention was held Saturday afternoon at the court house, and standing room was at a premium. One of the largest crowds ever present in the court room was in attendance. John M. Dawson presided over the convention and Wm. G. Sawyers was secretary. An order of business was reported by Charles McCaffrey, which was adopted. The following were appointed as tellers by Chairman Dawson: J. H. Thorp, J. F. Cook, W. R. Hughes, M. E. Ford and Wm. Taylor. The township election is to be held next Tuesday.

The first nomination was that of township trustee, and Cooper Gooden, after being nominated, was selected by acclamation for the party's candidate for that office.

For township collector, W. R. Hughes presented the name of Frank Bolin, George Pat Wright the name of Felix Grundy, and Brice Hall the name of Marion Smith. On the first ballot the vote stood Bolin 150, Grundy 142, Smith 82. As no nomination was made, a second ballot was taken.

The second ballot in the race for collector resulted as follows: Grundy 153, Bolin 148, Smith 40. Under a resolution adopted by the convention, Marion Smith dropped out of the race after this ballot. The total vote cast on this ballot was 374, as compared to only 150 votes cast at the Republican convention held a week ago in this city.

On the third ballot the vote stood as follows: Grundy 183, Bolin 164. Grundy was declared the nominee of the convention.

### Hughes Township Convention.

At the Democratic township convention of Hughes township, held at Graham on Saturday afternoon, the following ticket was nominated:

Trustee—John A. Gex. Collector—Dan McGrew.

Assessor—Lawrence Hill. Members of board—John Lawrence and Dwight Davis.

Justices of the peace—August Kneuffer and J. H. Robertson.

Constable—Sam Eckles.

## DON'T BURN THEM

**CORN STALKS SHOULD BE DISKED AND PLOWED UNDER.**

## RENDERS SOIL POROUS

**Jordan Says Unless Soil is Too Rich or Infested With Chinch Bugs Stalks Should Not Be Burned.**

By S. M. Jordan, Manager Pettis county bureau of agriculture.

While there is a great deal of seed corn in the country it is wise to take a good deal of time and exercise extreme care and "shop" early and get the best. Most of the seed corn is in good condition and most of it will grow, but all corn that was not pretty well dried out when the first heavy frost occurred last fall has been injured to such an extent that its vitality is poor. A preliminary test should be made that would give some adequate idea as to how its vitality is running. A grain with a weak germ is by no means likely to make a good ear of corn.

Another question to be considered at this time is the disposition of the corn stalks in field where we are going to put corn this coming year. Corn stalks should be broken down at least by this time, and then when the ground conditions are right we should take a sharp disk and by going over each row we cut the stalks pretty well; but the really great value we get out of that process is the working of the soil. I know of no conditions in Pettis county that would by any means justify burning the corn stalks. If the land is already too rich we might then be justified, or if the fields last year were badly infested with chinch bugs we might be justified in burning, but under conditions in Pettis county there is no justification for burning these stalks. There is no great amount of soil fertility in corn stalks, there is vegetable matter and most of our farms are suffering for want of vegetable matter rather than lack of soil fertility. It would decidedly pay to plow them under even though they did not contain one particle of soil fertility. This vegetable matter renders the soil porous and sponge-like, gives life to the soil and gives it capacity for holding moisture, and it is this condition that prevents washing and makes plant food available to the young plants. Usually all that we can say about burning corn stalks is that it is a very serious blunder.

All live stock should be kept out of the fields from now on except at times when the ground may be frozen. Cattle and horses tramping across the fields when the mud may be several inches deep do an enormous amount of mischief to the soil, except in such places where the soil may be very sandy.

As a general rule I like to do the disking just as early as it is possible and if this is done and we shouldn't happen to get our plowing done until a little late the ground will then not break up cloddy. In soil that is not too heavy I like also to plow the ground just as early as possible as the earlier we can plow the more deeply we are safe to plow. The early plowing also allows the weeds to start and with one or two plowing before planting as many crops of weeds may be destroyed. I like to do a great deal of work on the ground before planting, and since the corn is a warm weather plant I like to wait until the ground has become fairly warm. This is usually the first few days in May, but it is not safe to plant sod ground so early as this, on account of the danger from cut worms. A very safe time for the sod would be from the 20th to the 25th of May.

## IS EASTER SUNDAY ALL YOU NEED IS A CASCARET TONIGHT

(Continued from Page 1)  
is a very beautiful and appropriate composition for the guiding of our worship. The composer has poured the pathos and power of the resurrection story into this music. It presents a great variety of musical expression for a short work. There are ladies' trios, male quartets, solos and powerful choruses.

The pastor will sing "Christ is Risen Today," Bischoff.

The Epworth League meets at 6:30 p. m. A special program has been arranged, consisting of music by an orchestra, a ladies' quartet and a vocal duet. The pastor will give a short address upon the theme of "The Resurrection Story." Miss Ethel Embree, leader.

At the evening service, 7:30 p. m., the choir will sing the oratorio "The Holy City," by Gaul.

The resurrection of Christ is our greatest evidence for a future life. The promise and the comfort of such a revelation is set forth by this oratorio. While the treatment of the subject is reflective, there are passages of great power in the work. This is not the greatest oratorio, but it has the characteristics of the highest form of musical expression. It contains solos, quartets and choruses that are used by the greatest singers and choirs of the world. There will be about forty voices in the choir. Mr. P. O. Landon, organist, and Miss Lucile Airy at the piano.

REV. GILBERT S. COX, Pastor.

### First Baptist Church.

There will be no preaching services at the First Baptist church Sunday morning or evening. An Easter musical program will be given by the choir at 11 o'clock a. m., under the direction of Miss Marie Gayle Jackson. Other services will be as usual at the usual hour.

Sunday school at 9:30.

B. Y. P. U. at 6:30 p. m.

Following is the program for Easter musical program at 11 a. m.:

Hymn 51, "Joy to the World, the Lord is Come."

Anthem, "Benite," Lansing.

Solo, "Earth You Could Not Hold Him," Paul Bliss—Miss Jackson.

Scripture reading.

Solo, "As It Began to Dawn," F. Harker—Mrs. Charles Moore.

Anthem, "Come See the Place Where the Lord Lay," W. Reade.

Offertory.

Solo, recitative and aria from "The Creation," Haydn—Mr. Orlo Quinn.

Anthem, "I Will Magnify Thee, O God," N. Churchill.

Hymn 307, "Christ Arose."

### St. Mary's Catholic Church.

The usual Easter services will be held Sunday at the usual hours at this church. The Rev. Fr. Anselm and his assistant, the Rev. Fr. Willebrode, will conduct the services. At 10 o'clock service the choir will sing a mass by Lafache. Before mass Regina Coeli will be sung. The solo parts in the mass will be taken by Miss Bertha Kirch, soprano; Miss Teresa Yehle, alto; Conrad Yehle, tenor; N. B. Thompson, basso. For the offertory a pipe organ selection will be played by the organist, Miss Hilda Labr. During the benediction the Salutaris and Tantum Ego will be sung.

### First Presbyterian Church.

Sunrise prayer meeting at 6:30 a. m., led by Prof. H. P. Swinehart. Sunday school at 9:45, under the direction of Dean G. H. Colbert and an efficient corps of teachers.

Morning worship at 11 a. m. The sermon will be entitled "Immortality." The choir will sing an Easter anthem. Maryville commandery, Knights Templar, will attend this service.

At 7:30 p. m. the choir will sing the Easter cantata "Crucifixion and Ascension," by Peace.

We welcome you to these services in the name of our risen Lord.

### First Church of Christ, Scientist.

The lesson sermon at this church at the usual hour, 11 o'clock a. m. Subject "Matter." Sunday school at 9:45 a. m. Wednesday evening prayer meeting at 8 o'clock. Everyone is cordially invited to attend these services. Church is located at 206 South Main street.

### St. Patrick's Catholic Church.

The usual Easter services at the hours of 8 and 10:30 a. m. The choir will sing a mass by Wiegand, and Miss Mae Parle and Miss Mayme Dooley will sing a duet, "O Salutaris," by Wiegand, for the offertory. A chorus, the Regina Coeli, will also be sung by the choir. There will be the usual service at 7:30 p. m.

### Pickering M. E. Church.

Rev. H. J. Dueker, pastor of the Pickering M. E. church, will preach an Easter sermon Sunday morning at 11 o'clock. The choir will sing two Easter anthems, "Easter Dawn," by Hine, and "A Host of Victors," by J. Wesley Hughes.

Mrs. Miles Fast of Burlington Junction was shopping in the city Saturday.

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels by Morning.

Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry out of the system all the constipated waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love to take Cascarets because they taste good—never gripe or sicken.—Advertisement.

### PROGRAM FOR ARBOR DAY

April 4 Set Aside by Governor Major as Tree Planting Day for Schools.

Arbor day will be on Friday, April 4, according to a proclamation issued by Governor Major, and under the law all teachers, pupils and patrons of the different schools throughout the state shall on that day "encourage the planting of trees, shrubbery and flowers upon and around the school grounds," to the end that "said grounds may be rendered pleasant and attractive." A part of the day is to be devoted to literary exercise, such as will impress the children and citizens generally with the importance and value of making school grounds attractive, and encourage forestry.

The following is the program suggested by State Superintendent of Schools Evans for the various schools of the state for that day:

### Part I—Indoors.

Song by school.

Reading governor's proclamation.

Reading the superintendent's message.

Recitation, "The Lesson of the Tree."

Essay, "Native Trees of Missouri."

Recitation, "They's Cut the Wood Away."

Arbor day address.

Music.

Recitation.

Music.

### Part II—Out of Doors.

\*Arbor day march.

Song by school, "Invocation Song."

\*\*Presentation of trees for planting.

Song, "The Planting Song."

Recitation, "We Thank Thee."

The planting of the trees.

\*March from school house to place where trees are to be planted. At close of march have pupils and visitors form a large circle. Remain in this position during the remainder of the program.

\*\*Let each pupil having trees or shrubbery present them by telling in a few short sentences something about the one he presents, and giving a short quotation.

### APPLES IN COMMON STORAGE.

Springfield Man Finds That Method Superior in Every Way to Cold Storage for His Apples.

A. S. McLin of near Springfield, Mo., was in Maryville Saturday morning on his way home from Des Moines and Creston, Ia., where he disposed of two car loads of the Ozark Ingram apples he raises on his farm. The apples are just now ready for market and will keep good and juicy until June, when new apples are due.

He is proving the common storage method against cold storage. For several years he has stored his winter apples in the fall in a building that is all above ground. The walls are eight inches thick, sawdust filled and with air space. The building is kept closed during the day and open at night when the weather is not freezing. The doors are closed every morning before the sun rises. His Ozark Ingram apples have kept perfectly by this method of storage and he has never lost a cent from their being left on the market, because they are in perfect condition and cannot spoil before they are ready for use.

The cold storage apple has to be bought and used as soon as placed on the market, because being already slightly frozen will not last any length of time.

Mr. McLin believes the high cost of living could be materially reduced if the matter of storage would be sensibly regarded and studied, and he thinks the little street waifs of the cities should have a good solid, juicy apple when they want it just the same as anyone who is able to buy the beautiful polished apples from cold storage houses the moment they are placed in the windows. He says there is surer and better money all around to every apple grower through the common

## FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well."

I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it. N. B.—Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women" sent in plain wrapper, on request.

## SEED CORN

B. H. McClintock, living four miles north of Essex, Page county, Ia., has made a new variety of corn that is simply wonderful, being a cross between Boone County White and another earlier corn. He has bred this corn for five years and has bred out one-third of the starch, reduced the size of the cob, lengthened the grain, and, best of all, made it fifteen days earlier than Boone County White and increased the yield. A 10-acre block last year made 1,050 bushels, an 80-acre block 81 bushels and 40 pounds to the acre. This corn won first premium at the Iowa Corn Growers' association at Ames, Ia., January, 1913. Interested parties write for samples and prices. Sold subject to twenty days test. This new corn is named White Cross. He also has some Iowa Silver Mine and Reid's Yellow Dent. Every ear of White Cross is raised on his own farm and hung up and cared for in a manner to make a strong growing seed. Check will be returned if after test corn is found faulty in germination. Order at once as supply is very limited.

WARN CONSUMPTIVES AWAY.

Medical Board Admits Tuberculosis Culture Is "Live Bug" and That They Are Breeding It to Try on Consumptive Monkeys.

Washington, March 22.—The public health service, through Surgeon General Blue, issued its first statement relative to the government investigation of Dr. F. F. Friedmann's alleged tuberculosis cure. The statement, which emphasizes the government's policy to proceed cautiously, is as follows:

"On March 8 the secretary of the treasury, on the recommendation of the surgeon general of the public health service, caused a board of medical officers to be detailed to make a thorough investigation of Dr. Friedmann's alleged cure for tuberculosis. These officers proceeded immediately to New York and arranged with Dr. Friedmann for demonstrations of his remedy upon persons suffering from tuberculosis. These demonstrations are being carried on in certain New York hospitals and will be continued until sufficient information has been obtained for the forming of an opinion as to the merits of the treatment."

"Dr. Friedmann has submitted to the board a culture of the bacteria which he states are used in his method of treatment. In addition to the observation of persons under treatment by Dr. Friedmann, the board of officers will make experiments to ascertain whether this culture is, as Dr. Friedmann claims, harmless to warm blooded animals."

Will Take Time to Tell.

"Considerable time will necessarily be required to carry out these investigations, but the work will be carried out as rapidly as possible."

"In the meantime the public is informed of the inadvisability in the great majority of cases of traveling long distances in the hope of receiving treatment, as those selected for demonstration purposes constitute only a small proportion of the applicants."

"Certain statements purporting to be expressions of the opinion of the board of officers of the public health service bearing on the investigation have appeared in newspapers. These officers have expressed no opinion and will not be in a position to do so until the work has advanced sufficiently far to warrant some conclusion in regard to Dr. Friedmann's treatment."

It was further stated by the government's officials that it would be a month probably before any conclusions could be reached relating to the efficacy of the treatment upon the patients, who are being watched by the board of officers authorized to make the investigation.

### WAGE PARLEY NEAR RUPTURE

Only Government Arbitration Can Avert Switchmen's Strike.

Chicago, March 22.—Wage negotiations between 4,600 Chicago switchmen and nineteen railroads reached a final crisis. It was semi-officially announced no agreement is possible through existing arbitration committees representing the union and the employers. Only intervention by the United States labor commissioner or the Illinois commissioner will avert a strike, it was asserted.

Railway managers involved appeared to have reached this conclusion, and preparations were begun to obtain federal arbitration under the Erdman act.

Robinson Give Five Years.

Fort Dodge, Ia., March 22.—Thomas Robinson, found guilty of attempted manslaughter of Marshal McFarlane of Gowrie and given a new trial because the jury foreman discharged the jury and carried the verdict in his pocket for several hours, pleaded guilty and was sentenced to five years at Anamosa by Judge Wright in the district court.

Will Attack Hermosillo.

Guaymas, Mex., March 22.—It was said officially that 4,000 federal troops will arrive here Monday to proceed against the insurgent state authorities at Hermosillo. The troops will come by steamer from Manzanillo, where they embarked from the neighborhood of Mexico City. Already about 1,000 federals are garrisoned here.

Gardner Will Not Accept Pension Job Washington, March 22.—Senator Obadiah Gardner of Maine having refused the job of commissioner of pensions, it was learned that friends of Dr. D. C. Gentsch of New Philadelphia, O., have renewed their efforts on his behalf for the place. There are a number of other aspirants for the place.

Bryan Guest of Omaha.

Omaha, March 22.—Mr. and Mrs. W. J. Bryan are guests of the city today. The visitors were met at the station by a general reception committee. Mr. Bryan spoke at the public affairs committee luncheon at the Commercial club. A banquet will be held at the University club tonight.

## GOVERNOR MAJOR LAUDS SOLONS

Special Message Compliments Legislature on Its Work

BREATHE SPIRIT OF NEW DAY.

Jefferson City, March 22.—In a special message sent to the house and senate Governor Major complimented the legislature highly on its work.

"You have breathed the spirit of the new day," the governor said. "In the matter of progressive legislation you are abreast of the times and stand in the forefront of all legislatures in the United States that have been in session this winter."

The message was the first the governor has sent to the legislature in the entire session, except for the inaugural address and the routine messages submitting reports and returning bills.

The governor calls specific attention to the two platform pledges that were unkept—a workmen's compensation law and a presidential primary act. For them he bespeaks careful consideration and enactment into law by the next legislature. The message said, in part:

"You now are nearing the closing hours of your labors and this legislature will go down in the history of Missouri as one of the best. I take this occasion to congratulate the members of both branches on their good work."

"There are a few subjects which the shortness of time has prevented you from fully considering, one among which is a workmen's compensation act, but I am glad to see you have prepared the way by creating commissions to continue the consideration of this and other questions, and report the result of their labors to the next legislature. The presidential preferential primary question can be timely considered at the next session."

"As the chief executive I desire to compliment you upon your work and to thank you for the consideration shown the executive department and the recommendations made by me in my inaugural address and to further thank you for the great services you have rendered the people."

### MEET TO BOOST A ROCK ROAD

Springfield Host to Men From Along Proposed Highway to Joplin.

Springfield, Mo., March 22.—Pledging the co-operation of the business men of more than half a dozen of the larger cities between Joplin and Springfield in the movement to assure the building of a rock road between this city and the seat of Jasper county, about forty good roads boosters from as many towns met in Springfield under the auspices of the Young Men's Business club. All were enthusiastic advocates of the road to connect the two largest cities of southwest Missouri.

### BURNED "HELPING MOTHER"

Seven-Year-Old Columbia Girl Died From Accident While Ironing.

Columbia, Mo., March 22.—Verona Thomas, seven years old, always wanted to help her mother. She even assisted in cooking. When her mother went to visit a neighbor the little girl heated a flatiron to iron a dress for her baby brother. Her clothing caught fire and she was fatally burned. At the hospital, where she died a few hours later, she smiled as she explained to the surgeons and her parents how she was "helping mother."

### PEANUT FIEND TAKES BRIDE

Aurora Educator Weds Woman Devoted to Apple Diet.

Eureka Springs, Mo., March 22.—Dr. Thomas J. Allen, former president of Aurora college, who lived sixty days on peanuts, and Miss Lillian Suehr of Ottawa, Ill., who is said to have once existed ninety-two days on apples, were married here, where Dr. Allen is proprietor of a sanitarium.

The groom is fifty years old, the twenty years his junior. Dr. Allen was divorced last January. His wife did not contest the suit.

Schooners Wrecked Off Alaska.

Seattle, Wash., March 22.—The following special cable from Nome, Alaska, was received here: "Sam Gottschalk of the whaling schooner Moras reached Nome after a trip of 100 miles over the breaking ice in Bering strait, with news of the loss of the schooners Kittiwack and Moras and the hardships endured by members of the crews."

Five Killed at Poplar Bluff.

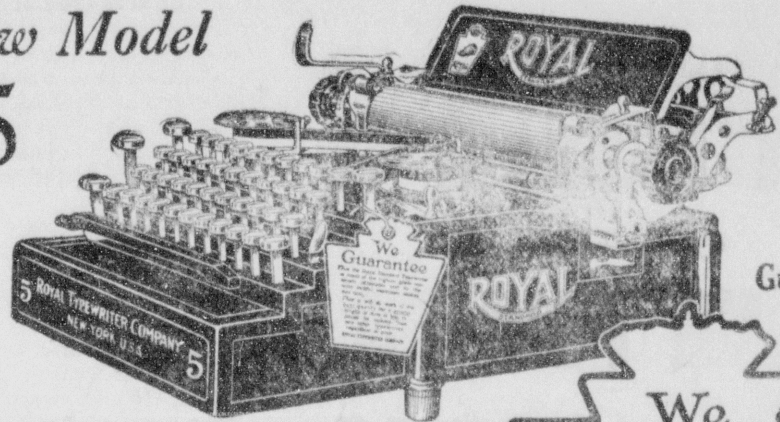

Springfield, Mo., March 22.—Five persons were killed and more than fifty injured by the storm at Poplar Bluff, Mo., and twenty injured at Hoxie, Ark., and the town practically blown away. Great damage was done at Poplar Bluff and in the country between that point and Hoxie.

Car Hits Auto; Wealthy Man Dead.

St. Louis, March 22.—Arthur Godard, a son of W. H. Godard, a wealthy retired realty dealer of Chicago, and himself a broker at the National stock yards, East St. Louis, was killed almost instantly when the automobile in which he was going home collided with a street car.

Those present were Mr. and Mrs. B. T. Smart, Mr. and Mrs. A. Williams, Mrs. J. Palmer, Mrs. Oddie Johnson, Rev. J. R. Carter, Miss Betarice Slaughter, Miss Estella Mitchell, Miss Frankie Tillman, Miss Isabelle Palmer, Miss Lucy Williams, Prof. Keent, Mr. Robert Harden, Mr. Willie Mitchell, Mr. Ogle Schooling, Mr. Earl Martin. All left wishing the society would meet again soon.

### Surely Banishes Catarrh.

Where there's catarrh there's thousands of catarrh germs. You can't get rid of catarrh unless you kill these germs.

You can't kill them with stomach medicine or sprays because they can't get where germs are.

You can kill these germs with Booth's HYOMEL, a penetrating, antiseptic, balsamic air that you breathe a few times a day directly over the raw, sore, germ infested membrane. It does not contain morphine or any habit forming drug.

For catarrh, croup, coughs and colds. HYOMEL is sold on money back plan by the Orear-Henry Drug Co. Complete outfit, \$1.00. Extra bottles of Booth's HYOMEL if afterward needed, only 50 cents. Just breathe it—no stomach dosing.—Advertisement.

### Visitor From Illinois.

### Best Known Cough Remedy.

For forty-three years Dr. King's New Discovery has been known throughout the world as the most reliable cough remedy. Over three million bottles were used last year. Isn't this proof? It will get rid of your cough, or we will refund your money. J. J. Owens, of Allendale, S. C., writes the way hundreds of others have done. "After twenty years, I find that Dr. King's New Discovery is the best remedy for coughs and colds that I have ever used." For coughs or colds and all throat and lung troubles, it has no equal. 50c and \$1.00 at the Orear-Henry Drug Co.—Advertisement.

#### Dam Was Dynamited.

The dam across the new channel of the Nodaway on the C. E. Walker farm, north of town, was dynamited Monday so the water could be forced through the channel. The dam had become very firm and it took a large quantity of the explosive to have any effect on it. There has been a stream several feet wide running through the channel all week.—Burlington Junction Post.

## Your name should be here

It is on this line that your name counts most.

UNTIL a bank book bears your name, you are not advancing or bettering your situation. The young man or woman, of large or small income, is merely treading water until he or she starts to save. There is nothing more gratifying than the reflection that you have a comfortable balance at the bank. The very knowledge that you have the money in reserve to satisfy this desire or that, makes self-denial easy and derives more pleasure than wasteful indulgence.

YOU SHOULD WALK OUT OF THIS BANK THE VERY NEXT PAY DAY WITH A BANK BOOK OF OUR OWN.

#### Robert G. Ingersoll's Vision.

A vision of the future rises:

I see our country filled with happy homes, with firesides of content—the foremost land of all the earth.

I see a world where thrones have crumbled and where kings are dust. The aristocracy of idleness has perished from the earth.

I see a world without a slave. Man at last is free. Nature's forces have by science been enslaved. Lightning and light, wind and wave, frost and flame, and all the secret, subtle powers of earth and air are the tireless toilers for the human race.

I see a world at peace, adorned with every form of art, with music's myriad voices thrilled, while lips are rich, with words of love and truth—a world in which no exile sighs, no prisoner mourns; a world on which the bigot's shadow does not fall; a world where labor reaps its full reward; where work and worth go hand in hand; where the poor girl trying to win bread with the needle—the needle that has been called "the asp for the breast of the poor"—is not driven to the desperate choice of crime or death, of suicide or shame. I see a world without the beggar's outstretched palm, the miser's heartless, stony stare; the piteous wall of want, the livid lips of lies, the cruel eyes of scorn.

I see a race without disease of flesh or brain—shapely and fair, the married harmony of form and function—and, as I look, life lengthens, joy deepens, love canopies the earth; and over all, in the great dome, shines the eternal star of human hope.

#### Sure.

A woman was discussing the English language with Rudyard Kipling.

"Don't you think it strange, Mr. Kipling," said the woman, with superior wisdom, "that sugar is the only word in the English language where an 's' and a 'u' come together and are pronounced 'sh'?"

Mr. Kipling's eyes twinkled as he answered: "Sure"—Ladies' Home Journal.

#### Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Trialimonials Free.

Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

## THE EUCLID MALE QUARTET

THE EUCLID MALE QUARTET.

#### EUCLID MALE QUARTET.

These College-Bred Young Men Will Appear in Lyceum Course.

Nearly every Lyceum course and Chautauqua offers a male quartet every season, for no popular musical attraction is quite so popular as a company of four young men who are good singers and entertainers. For this season the Euclid Male Quartet has been engaged. These four young men are college-bred, were known as the Antioch Glee club when they first began to sing together six years ago, and are graduates of Antioch college, founded and made famous by Horace Mann. They are good singers and their ensemble numbers are very well done, for they have sung together for six years. One member is a good reader, presenting some of Riley's best known poems. A feature is the playing by the quartet on the largest set of aluminum organ-chimes that is used in Lyceum work. They produce tones like a fine pipe organ, and with four good musicians playing, the most beautiful tones and effects are secured. The program of this company is varied and satisfying. Each member is a soloist and the personnel is: Mr. O. W. Beaver, second tenor and

reader; Mr. W. C. Shade, bass; Mr. H. E. Haines, first tenor; Mr. C. J. Beaver, baritone and pianist.

#### To the Voters of Polk Township

As a candidate for the office of Assessor for Polk township I most respectfully solicit your vote for me for that office on Tuesday, the 25th day of March. I have been a resident of Nodaway county for the past seventeen years, part of this time living on a farm north of Maryville, and part of the time in the city. I am quite well acquainted with the people living in this township, and also have a good knowledge of the values of property in this township. I will give this office, in case I am elected, my own personal attention, and will endeavor to the very best of my ability to treat everybody fairly and without partiality. Thanking you for your favorable consideration, I remain, Yours very truly, JACOB B. MOORE.

#### School Election Notice.

Notice is hereby given to the qualified voters of the independent school district of Maryville, Missouri, that at the regular annual election of said district to be held at the voting places in the various wards in the city of Maryville, for the election of city officers of said city of Maryville, on

Tuesday, April 1st, 1913,

there will be submitted to the qualified voters, who are taxpayers of said school district voting at such election, a proposition to levy a tax of six mills on the dollar on the taxable property of said district in addition to the four mills authorized by law to be levied by the board of directors of said school district for the maintenance of the schools and for school purposes in said school district for the next ensuing school year. Also the election of two directors for the term of three years each.

Done by order of the board of directors this March 14th, 1913.
